Mr. Toad's Wild Red Ale

Made with 5 different malts and 3 varieties of hops, this is our best seller by far!
Featured at the Oregon Brewer's Festival July 27-29, 2001

Multnomah Village Golden Ale

Our incredibly crisp, clear golden ale. Dry hopped in the keg with a huge bag of Oregon Hallertauer hops!

Great White Wheat

Our semi-cloudy weizen (wheat) ale. Even flavors make this more popular than that other notorious weizen in town!

Old Granny Smith Green Apple Ale

A crisp golden flavored with Granny Smith Apples.

The runaway best seller among 72 beers at the 1996 Oregon Brewer's Festival!

HOP ON! A classic amber severely overhopped at the finish of the kettle boil.

Originally a mistake, this is now one of our best sellers!

Mr. Slate's Gravelberry Ale

A smooth wheat beer spiked with raspberry.

Not as sweet as most of the other flavored beers on the market. A refreshing change!

Pinochle Pale Ale

An excellent crisp rendition of this classic style

Pacific Porter

A fine, smooth porter to cure the winter doldrums.

Black Magic Nitrogen-Powered STOUT

Almost a perfect British-style creamy texture on the first try! This is outselling our last stout 10-to-1!

RAT DOG E.S.B.

A heavily hopped Extra Special Bitter

Sold Out Early at the Oregon Brewer's Festival 1998!

British Bombay I.P.A.

Based on an original India Pale Ale recipe that was shipped to the Indian colonies. **Our Best Seller!**

Hot Tamale! With real jalapeno and serrano peppers, this is one HOT cold drink! **No returns from weenies.**
