# WELCOME TO THE BROADWAY GRILL & BREWERY!

Until we are properly licensed (a huge bureaucratic pain), we will be serving beer from our flagship 15 barrel brewery in Southwest Portland. We opened The Old Market Pub & Brewery almost 14 years ago. There, we brew and sell more and more beer every month, we cook and serve more and more food every month, and we think it's finally time to expand our reach. In a few months, after licensing is complete, we will be brewing downstairs right here!

## WHAT'S DIFFERENT, WHAT'S THE SAME?

This menu is an abbreviated version of the menu at The Old Market Pub & Brewery, brewing fine frosty ales and serving great food for almost 14 years. Soon, the menus will be identical, but we have cut some of the more difficult items so we can be sure to serve you quicker, and so our new staff can get used to the menu and the neighborhood traffic.

## FAMILIES WELCOME AT ALL HOURS

This is definitely a family neighborhood, just as it is in our Southwest Portland location. We serve families day and night, and we encourage you to bring the kids at any time. Please remember: our license requires adult supervision, and anyone under 21 can't get in the pool room (they don't want kids to get the idea that beer has anything to do with having fun!).

## EARLY WEEKEND BREAKFAST DELAYED!

We got busier much more quickly than anticipated! Please give us time to get our regular lunch & dinner business solidified. For now, starting at 11a.m.:

All day & night Saturday & Sunday, try our
